(except the white ink spot color).

File → Document Color Mode →

without RGB or spot colors

WARNING

We recommend placing only a solid color or a seamless pattern within the trim tolerance area to avoid artwork printing on the opposite edge of

Artwork placed inside the trim tolerance area will NOT warrant a reprint of your order.

ORDERING CLEAR OR METALLIZED?

Clear and metallized films may need a layer of white ink under your artwork.

Turn on the "Premium White" layer to see instructions for setting up your white layer.

QUANTITY TOLERANCES

Our production can vary ±10% of the quantity you order. We recommend padding your order to account for this.

If we ship less than your desired final quantity, a credit will be issued to your customer account. If we ship more than your desired final quantity, the surplus is free of charge.
